JARRED **BOERE**

SOFTWARE ENGINEER

jboere01@gmail.com | +49 176 80431522 | Jarred Boere

PROFILE

Software Engineer with a passion for creating innovative web applications and automating business processes.

Currently pursuing an MSc in Cognitive Systems at the University of Potsdam, focusing on computational linguistics, machine learning, and artificial intelligence.

With experience in front-end and back-end development, API integration, and system administration, I thrive on solving complex problems and delivering efficient, user-centered solutions.
